6 of withdrawal with the Board. If the Board finds that any
7 national derivatives association is no longer in existence
8 or has ceased to do business in the capacity specified in
9 its application for registration, the Board, by order, shall
10 cancel its registration. Upon the withdrawal of a national

20 ited with respect to access to services offered by the asso-
21 ciation or a member thereof (other than a summary pro-
22 ceeding pursuant to subsection (c) of this section), the as-
23 sociation shall notify such person of and give him an op-
24 portunity to be heard upon, the specific grounds for de-
25 nial, bar, or prohibition or limitation under consideration

1 and keep a record. A determination by the association to
2 deny membership, bar a person from becoming associated
3 with a member, or prohibit or limit a person with respect
4 to access to services offered by the association or a mem-
5 ber thereof shall be supported by a statement setting forth
6 the specific grounds on which the denial, bar, or prohibi-
7 tion or limitation is based.

8 (c) SUMMARY SUSPENSIONS.—A national derivatives
9 association may summarily (1) suspend a member or per-
10 son associated with a member who has been and is ex-
11 pelled or suspended from any national derivatives associa-
12 tion or barred or suspended from being associated with
13 a member of any national derivatives association, (2) sus-
14 pend a member who is in such financial or operating dif-
15 ficulty that the association determines and so notifies the
16 Board that the member cannot be permitted to continue
17 to do business as a member with safety to investors, credi-
18 tors, other members, or the association, or (3) limit or
19 prohibit any person with respect to access to services of-
20 fered by the association if paragraph (1) or (2) of this
21 subsection is applicable to such person or, in the case of
22 a person who is not a member, if the association deter-
23 mines that such person does not meet the qualification re-
24 quirements or other prerequisites for such access and such
25 person cannot be permitted to continue to have such ac-

cess with safety to investors, creditors, members, or the association. Any person aggrieved by any such summary action shall be promptly afforded an opportunity for a hearing by the association in accordance with the provisions of subsection (a) or (b) of this section. The Board, by order, may stay any such summary action on its own motion or upon application by any person aggrieved thereby, if the Board determines summarily or after notice and opportunity for hearing (which hearing may consist solely of the submission of affidavits or presentation of oral arguments) that such stay is consistent with the public interest and the protection of investors.

SEC. 408. ENFORCEMENT.

(a) MEMBERSHIP REQUIRED TO ENGAGE IN DERIVATIVES BUSINESS.—If the Board has made a determination under section 404, it shall be unlawful, after the effective date of this title (as determined under such section), for any derivatives dealer to effect any transaction in, or induce or attempt to induce the purchase or sale of, any derivative financial instrument, unless such derivatives dealer is a member of a national derivatives association registered pursuant to section 405 of this Act.

(b) CRIMINAL PENALTY FOR VIOLATION.—Any person who willfully violates any provision of this title, or any rule or regulation thereunder the violation of which is

1 made unlawful or the observance of which is required
2 under the terms of this title, or any person who willfully
3 and knowingly makes, or causes to be made, any state-
4 ment in any application, report, or document required to
5 be filed under this title or any rule or regulation there-
6 under or by any self-regulatory organization in connection
7 with an application for membership or participation there-
8 in or to become associated with a member thereof, which
9 statement was false or misleading with respect to any ma-
10 terial fact, shall upon conviction be fined not more than
11 \$1,000,000, or imprisoned not more than 10 years, or
12 both, except that when such person is a person other than
13 a natural person, a fine not exceeding \$2,500,000 may
14 be imposed; but no person shall be subject to imprison-
15 ment under this section for the violation of any rule or
16 regulation if he proves that he had no knowledge of such
17 rule or regulation.

18 (c) OBLIGATION TO ENFORCE.—

19 (1) IN GENERAL.—Every national derivatives
20 association shall comply with the provisions of this
21 Act, the rules and regulations thereunder, and its
22 own rules, and (subject to paragraph (2) of this sub-
23 section, and the rules thereunder) absent reasonable
24 justification or excuse enforce compliance with such

1 provisions by its members and persons associated
2 with its members.

3 (2) EXCEPTIONS.—The Board, by rule, consist-
4 ent with the public interest, the protection of inves-
5 tors, and the other purposes of this Act, may relieve
6 any national derivatives association of any respon-
7 sibility under this Act to enforce compliance with
8 any specified provision of this Act or the rules or
9 regulations thereunder by any member of such orga-
10 nization or person associated with such a member,
11 or any class of such members or persons associated
12 with a member.

13 (d) FILING AND APPROVAL OF RULES.—

14 (1) RULES AND CHANGES REQUIRED TO BE
15 FILED.—Each national derivatives association shall
16 file with the Board, in accordance with such rules as
17 the Board may prescribe, copies of any proposed
18 rule or any proposed change in, addition to, or dele-
19 tion from the rules of such national derivatives asso-
20 ciation (hereinafter in this subsection collectively re-
21 ferred to as a “proposed rule change”) accompanied
22 by a concise general statement of the basis and pur-
23 pose of such proposed rule change. The Board shall,
24 upon the filing of any proposed rule change, publish
25 notice thereof together with the terms of substance

1 of the proposed rule change or a description of the
2 subjects and issues involved. The Board shall give
3 interested persons an opportunity to submit written
4 data, views, and arguments concerning such pro-
5 posed rule change. No proposed rule change shall
6 take effect unless approved by the Board or other-
7 wise permitted in accordance with the provisions of
8 this subsection.

9 (2) APPROVAL OR INITIATION OF PROCEED-
10 INGS.—Within thirty-five days of the date of publi-
11 cation of notice of the filing of a proposed rule
12 change in accordance with paragraph (1) of this
13 subsection, or within such longer period as the
14 Board may designate up to ninety days of such date
15 if it finds such longer period to be appropriate and
16 publishes its reasons for so finding or as to which
17 the national derivatives association consents, the
18 Board shall—

19 (A) by order approve such proposed rule
20 change, or

21 (B) institute proceedings to determine
22 whether the proposed rule change should be dis-
23 approved.

24 (2) APPROVAL OR DISAPPROVAL.—Such pro-
25 ceedings shall include notice of the grounds for dis-

1 approval under consideration and opportunity for
2 hearing and be concluded within one hundred eighty
3 days of the date of publication of notice of the filing
4 of the proposed rule change. At the conclusion of
5 such proceedings the Board, by order, shall approve
6 or disapprove such proposed rule change. The Board
7 may extend the time for conclusion of such proceed-
8 ings for up to sixty days if it finds good cause for
9 such extension and publishes its reasons for so find-
10 ing or for such longer period as to which the na-
11 tional derivatives association consents.

12 (3) GROUNDS FOR APPROVAL OR DIS-
13 APPROVAL.—The Board shall approve a proposed
14 rule change of a national derivatives association if it
15 finds that such proposed rule change is consistent
16 with the requirements of this Act and the rules and
17 regulations thereunder applicable to such organiza-
18 tion. The Board shall disapprove a proposed rule
19 change of a national derivatives association if it does
20 not make such finding. The Board shall not approve
21 any proposed rule change prior to the thirtieth day
22 after the date of publication of notice of the filing
23 thereof, unless the Board finds good cause for so
24 doing and publishes its reasons for so finding.

1 (4) EXPEDITED EFFECTIVENESS.—(A) Not-
2 withstanding the provisions of paragraphs (2) and
3 (3) of this subsection, a proposed rule change may
4 take effect upon filing with the Board if designated
5 by the national derivatives association as (i) con-
6 stituting a stated policy, practice, or interpretation
7 with respect to the meaning, administration, or en-
8 forcement of an existing rule of the national deriva-
9 tives association, (ii) establishing or changing a due,
10 fee, or other charged imposed by the national deriva-
11 tives association, or (iii) concerned solely with the
12 administration of the national derivatives association
13 or other matters which the Board, by rule, consist-
14 ent with the public interest and the purposes of this
15 subsection, may specify as without the provisions of
16 such paragraph (2) or (3).

17 (B) Notwithstanding any other provision of this
18 subsection, a proposed rule change may be put into
19 effect summarily if it appears to the Board that
20 such action is necessary for the protection of inves-
21 tors, the maintenance of fair and orderly markets,
22 the safeguarding of securities or funds, or the pro-
23 tection against systemic risk. Any proposed rule
24 change so put into effect shall be filed promptly

1 thereafter in accordance with the provisions of para-
2 graph (1) of this subsection.

3 (C) Any proposed rule change of a national de-
4 rivatives association which has taken effect pursuant
5 to subparagraph (A) or (B) of this paragraph may
6 be enforced by such organization to the extent it is
7 not inconsistent with the provisions of this Act, the
8 rules and regulations thereunder, and applicable
9 Federal and State law. At any time within sixty days
10 of the date of filing of such a proposed rule change
11 in accordance with the provisions of paragraph (1)
12 of this subsection, the Board summarily may abro-
13 gate the change in the rules of the national deriva-
14 tives association made thereby and require that the
15 proposed rule change be refiled in accordance with
16 the provisions of paragraph (1) of this subsection
17 and reviewed in accordance with the provisions of
18 paragraph (2) of this subsection, if it appears to the
19 Board that such action is necessary or appropriate
20 in the public interest, for the protection of investors,
21 or otherwise in furtherance of the purposes of this
22 Act. Board action pursuant to the preceding sen-
23 tence shall not affect the validity or force of the rule
24 change during the period it was in effect and shall
25 not be reviewable nor deemed to be “final agency ac-

1 tion” for purposes of section 704 of title 5, United
2 States Code.

3 (e) AUTHORITY OF BOARD TO MODIFY ASSOCIATION
4 RULES.—The Board, by rule, may abrogate, add to, and
5 delete from (hereinafter in this subsection collectively re-
6 ferred to as “amend”) the rules of a national derivatives
7 association as the Board deems necessary or appropriate
8 to insure the fair administration of the national derivatives
9 association, to conform its rules to requirements of this
10 Act and the rules and regulations thereunder applicable
11 to such organization, or otherwise in furtherance of the
12 purposes of this Act, in the following manner:

13 (1) The Board shall notify the national deriva-
14 tives association and publish notice of the proposed
15 rulemaking in the Federal Register. The notice shall
16 include the text of the proposed amendment to the
17 rules of the national derivatives association and a
18 statement of the Board’s reasons, including any per-
19 tinent facts, for commencing such proposed rule-
20 making.

21 (2) The Board shall give interested persons an
22 opportunity for the oral presentation of data, views,
23 and arguments, in addition to an opportunity to
24 make written submissions. A transcript shall be kept
25 of any oral presentation.

1 (3) A rule adopted pursuant to this subsection
2 shall incorporate the text of the amendment to the
3 rules of the national derivatives association and a
4 statement of the Board's basis for and purpose in so
5 amending such rules. This statement shall include
6 an identification of any facts on which the Board
7 considers its determination so to amend the rules of
8 the self-regulatory agency to be based, including the
9 reasons for the Board's conclusions as to any of
10 such facts which were disputed in the rulemaking.

11 (4)(A) Except as provided in paragraphs (1)
12 through (3) of this subsection, rulemaking under
13 this subsection shall be in accordance with the pro-
14 cedures specified in section 553 of title 5, United
15 States Code, for rulemaking not on the record.

16 (B) Nothing in this subsection shall be con-
17 strued to impair or limit the Board's power to make,
18 or to modify or alter the procedures the Board may
19 follow in making, rules and regulations pursuant to
20 any other authority under this Act.

21 (C) Any amendment to the rules of a national
22 derivatives association made by the Board pursuant
23 to this subsection shall be considered for all pur-
24 poses of this Act to be part of the rules of such na-

1 tional derivatives association and shall not be consid-
2 ered to be a rule of the Board.

3 (f) REVIEW BY BOARD OF ASSOCIATION DISCIPLI-
4 NARY ACTIONS.—

5 (1) NOTICE.—If any national derivatives asso-
6 ciation imposes any final disciplinary sanction on
7 any member thereof or participant therein, denies
8 membership or participation to any applicant, or
9 prohibits or limits any person in respect to access to
10 services offered by such organization or member
11 thereof, or if any national derivatives association im-
12 poses any final disciplinary sanction on any person
13 associated with a member or bars any person from
14 becoming associated with a member, the national de-
15 rivatives association shall promptly file notice there-
16 of with the Board. The notice shall be in such form
17 and contain such information as the Board, by rule,
18 may prescribe as necessary or appropriate in fur-
19 therance of the purposes of this Act.

20 (2) AUTHORITY TO REVIEW.—Any action with
21 respect to which a national derivatives association is
22 required by paragraph (1) of this subsection to file
23 notice shall be subject to review by the Board on its
24 own motion, or upon application by any person ag-
25 grieved thereby filed within thirty days after the

1 date such notice was filed with such Board and re-
2 ceived by such aggrieved person, or within such
3 longer period as such Board may determine. Appli-
4 cation to the Board for review, or the institution of
5 review by such Board on its own motion, shall not
6 operate as a stay of such action unless the Board
7 otherwise orders, summarily or after notice and op-
8 portunity for hearing on the question of a stay
9 (which hearing may consist solely of the submission
10 of affidavits or presentation of oral arguments). The
11 Board shall establish for appropriate cases an expe-
12 dited procedure for consideration and determination
13 of the question of a stay.

14 (3) DECISION AFTER REVIEW.—In any proceed-
15 ing to review a final disciplinary sanction imposed by
16 a national derivatives association on a member
17 thereof or participant therein or a person associated
18 with such a member, after notice and opportunity
19 for hearing (which hearing may consist solely of con-
20 sideration of the record before the national deriva-
21 tives association and opportunity for the presen-
22 tation of supporting reasons to affirm, modify, or set
23 aside the sanction)—

24 (A) if the Board finds that such member,
25 participant, or person associated with a member

1 has engaged in such acts or practices, or has
2 omitted such acts, as the national derivatives
3 association has found him to have engaged in or
4 omitted, that such acts or practices, or omis-
5 sions to act, are in violation of such provisions
6 of this Act, the rules or regulations thereunder,
7 or the rules of the national derivatives associa-
8 tion, as have been specified in the determina-
9 tion of the national derivatives association, and
10 that such provisions are, and were applied in a
11 manner, consistent with the purposes of this
12 Act, the Board, by order, shall so declare and,
13 as appropriate, affirm the sanction imposed by
14 the national derivatives association, modify the
15 sanction in accordance with paragraph (2) of
16 this subsection, or remand to the national de-
17 rivatives association for further proceedings; or

18 (B) if the Board does not make any such
19 finding it shall, by order, set aside the sanction
20 imposed by the national derivatives association
21 and, if appropriate, remand to the national de-
22 rivatives association for further proceedings.

23 (4) AUTHORITY TO CANCEL OR REDUCE SANC-
24 TIONS.—If the Board for a member, participant, or
25 person associated with a member, having due regard

1 for the public interest and the protection of inves-
2 tors, finds after a proceeding in accordance with this
3 subsection that a sanction imposed by a national de-
4 rivatives association upon such member, participant,
5 or person associated with a member imposes any
6 burden on competition not necessary or appropriate
7 in furtherance of the purposes of this Act or is ex-
8 cessive or oppressive, the Board may cancel, reduce,
9 or require the remission of such sanction.

10 (g) AUTHORITY OF BOARD TO SANCTION ASSOCIA-
11 TION.—

12 (1) IN GENERAL.—The Board is authorized, by
13 order, if in its opinion such action is necessary or
14 appropriate in the public interest, for the protection
15 of investors, or otherwise in furtherance of the pur-
16 poses of this Act to suspend for a period not exceed-
17 ing twelve months or revoke the registration of such
18 national derivatives association, or to censure or im-
19 pose limitations upon the activities, functions, and
20 operations of such national derivatives association, if
21 the Board finds, on the record after notice and op-
22 portunity for hearing, that such national derivatives
23 association has violated or is unable to comply with
24 any provision of this Act, the rules or regulations
25 thereunder, or its own rules or without reasonable

1 justification or excuse has failed to enforce compli-
2 ance with any such provision by a member thereof
3 or a person associated with a member thereof.

4 (2) AUTHORITY TO SUSPEND OR EXPEL MEM-
5 BERS.—The Board is authorized, by order, if in its
6 opinion such action is necessary or appropriate in
7 the public interest, for the protection of investors, or
8 otherwise in furtherance of the purposes of this Act,
9 to suspend for a period not exceeding twelve months
10 or expel from such national derivatives association
11 any member thereof or participant therein, if the
12 Board finds, on the record after notice and oppor-
13 tunity for hearing, that such suspension or expulsion
14 is in the public interest and that such member,
15 whether prior or subsequent to becoming such, or
16 any person associated with such broker or dealer,
17 whether prior or subsequent to becoming so associ-
18 ated—

19 (A) has willfully made or caused to be
20 made in any application for registration or re-
21 port required to be filed with the Board, or in
22 any proceeding before the Board with respect to
23 registration, any statement which was at the
24 time and in the light of the circumstances
25 under which it was made false or misleading

1 with respect to any material fact, or has omit-
2 ted to state in any such application or report
3 any material fact which is required to be stated
4 therein;

5 (B) has been convicted within ten years
6 preceding the filing of any application for reg-
7 istration or at any time thereafter of any felony
8 or misdemeanor or of a substantially equivalent
9 crime by a foreign court of competent jurisdic-
10 tion which the Board finds—

11 (i) involves the purchase or sale of
12 any derivative financial instrument, the
13 taking of a false oath, the making of a
14 false report, bribery, perjury, burglary, any
15 substantially equivalent activity however
16 denominated by the laws of the relevant
17 foreign government, or conspiracy to com-
18 mit any such offense;

19 (ii) arises out of the conduct of the
20 business of a derivatives dealer, broker,
21 dealer, municipal securities dealer, govern-
22 ment securities broker, government securi-
23 ties dealer, investment adviser, bank, in-
24 surance company, fiduciary, transfer agent,
25 foreign person performing a function sub-

1 stantially equivalent to any of the above, or
2 entity or person required to be registered
3 under the Commodity Exchange Act (7
4 U.S.C. 1 et seq.) or any substantially
5 equivalent foreign statute or regulation;

6 (iii) involves the larceny, theft, rob-
7 bery, extortion, forgery, counterfeiting,
8 fraudulent concealment, embezzlement,
9 fraudulent conversion, or misappropriation
10 of funds, securities, or derivative financial
11 instruments, or substantially equivalent ac-
12 tivity however denominated by the laws of
13 the relevant foreign government; or

14 (iv) involves the violation of section
15 152, 1341, 1342, or 1343 or chapter 25 or
16 47 of title 18, United States Code, or a
17 violation of a substantially equivalent for-
18 eign statute;

19 (C) is permanently or temporarily enjoined
20 by order, judgment, or decree of any court of
21 competent jurisdiction from acting as an deriva-
22 tives dealer, investment adviser, underwriter,
23 broker, dealer, municipal securities dealer, gov-
24 ernment securities broker, government securi-
25 ties dealer, transfer agent, foreign person per-

1 forming a function substantially equivalent to
2 any of the above, or entity or person required
3 to be registered under the Commodity Ex-
4 change Act or any substantially equivalent for-
5 eign statute or regulation, or as an affiliated
6 person or employee of any investment company,
7 bank, insurance company, foreign entity sub-
8 stantially equivalent to any of the above, or en-
9 tity or person required to be registered under
10 the Commodity Exchange Act or any substan-
11 tially equivalent foreign statute or regulation, or

13 practice in connection with any such activity, or
14 in connection with the purchase or sale of any
15 derivative financial instrument or security;

16 (D) has willfully violated any provision of
17 any Federal banking, securities, or commodities
18 laws, this title, the rules or regulations under

22 commanded, induced, or procured the violation
23 by any other person of any provision of any
24 Federal banking, securities, or commodities
25 laws, this title, the rules or regulations under

1 any of such statutes, or has failed reasonably to
2 supervise, with a view to preventing violations
3 of the provisions of such statutes, rules, and
4 regulations, another person who commits such a
5 violation, if such other person is subject to his
6 supervision. For the purposes of this subpara-
7 graph (E) no person shall be deemed to have
8 failed reasonably to supervise any other person,
9 if—

10 (i) there have been established proce-
11 dures, and a system for applying such pro-
12 cedures, which would reasonably be ex-
13 pected to prevent and detect, insofar as
14 practicable, any such violation by such
15 other person, and

16 (ii) such person has reasonably dis-
17 charged the duties and obligations incum-
18 bent upon him by reason of such proce-
19 dures and system without reasonable cause
20 to believe that such procedures and system
21 were not being complied with; or

22 (F) has been found by a foreign financial
23 regulatory authority to have—

24 (i) made or caused to be made in any
25 application for registration or report re-

1 quired to be filed with a foreign financial
2 regulatory authority, or in any proceeding
3 before a foreign financial regulatory au-
4 thority with respect to registration, any
5 statement that was at the time and in the
6 light of the circumstances under which it
7 was made false or misleading with respect

9 state in any application or report to the
10 foreign financial regulatory authority any
11 material fact that is required to be stated
12 therein;

13 (ii) violated any foreign statute or
14 regulation regarding transactions in securi-
15 ties, or contracts of sale of a commodity

17 the rules of a contract market or any

19 (iii) aided, abetted, counseled, com-
20 manded, induced, or procured the violation
21 by any person of any provision of any stat-
22 utory provisions enacted by a foreign gov-
23 ernment, or rules or regulations there-
24 under, empowering a foreign financial reg-
25 ulatory authority regarding transactions in

1 securities, or contracts of sale of a com-
2 modity for future delivery, traded on or
3 subject to the rules of a contract market or
4 any board of trade, or has been found, by
5 a foreign financial regulatory authority, to
6 have failed reasonably to supervise, with a
7 view to preventing violations of such statu-
8 tory provisions, rules, and regulations, an-
9 other person who commits such a violation,
10 if such other person is subject to his super-
11 vision.

12 (3) AUTHORITY TO REMOVE OFFICERS.—The
13 Board is authorized, by order, if in its opinion such
14 action is necessary or appropriate in the public in-
15 terest, for the protection of investors, or otherwise in
16 furtherance of the purposes of this Act, to remove
17 from office or censure any officer or director of a
18 national derivatives association, if the Board finds,
19 on the record after notice and opportunity for hear-
20 ing, that such officer or director has willfully vio-
21 lated any provision of this Act, the rules or regula-
22 tions thereunder, or the rules of such national de-
23 rivatives association, willfully abused his or her au-
24 thority, or without reasonable justification or excuse
25 has failed to enforce compliance with any such provi-

1 sion by any member or person associated with a
2 member.

3 **SEC. 409. GENERAL AUTHORITY.**

4 In carrying out this title, the Board is authorized—

5 (1) to conduct investigations and issue adminis-
6 trative subpoenas;

7 (2) to seek and obtain injunctions of violations
8 of this title and the rules and regulations there-
9 under;

10 (3) to issue and enforce cease and desist orders
11 with respect to such violations;

12 (4) to impose and collect civil penalties with re-
13 spect to such violations; and

14 (5) to issue such rules and regulations and take
15 such other actions as may be necessary and appro-
16 priate in furtherance of the purposes of this title.

17 **TITLE V—MISCELLANEOUS**

18 **SEC. 501. SAVINGS PROVISION.**

19 The provisions of this Act shall be in addition to and
20 not in derogation of any existing authority of a Federal
21 financial institution regulatory agency to supervise or reg-
22 ulate derivatives activities provided under any other appli-
23 cable law.
